Andy was sitting in because he wanted to get his "feet wet" before assuming the chairperson position while our chairperson sat on the side to make sure he was doing everything "right". The Twelve Traditions were read by Zack, the Twelve Concepts were read by Shane and Roman read the service prayer. Then Andy proceeded with the ROLL CALL! The minutes from the previous month were read by Kenny M. and he did a really good job. Pending Business

Motion 4-08-02 was from the P.I. subcommittee. Mark B made a motion to amend the motion. The PI subcommittee wanted to “**add to the end** of #4’Old information, including flyers and announcements, should be removed from website during these updates’.” There was a lot of discussion about this wondering if it was necessary to have it say that. Lisa seconded the motion and so we voted. The amended motion passed with 10 yes’ and no abstentions or nays. See the motion and PI report attached. This is supposed to go back to the groups for a vote.

Motion 4-08-01 was presented from Thursday Night Support Group 2 months ago. It addresses the printing and distribution of our Area meeting list. Motion is attached. .The groups were supposed to bring back some pros and cons if they had any. Jan from *A Step Forward* said they discussed it not sure what they said, I forgot but they talked about it. Then John from *Thursday Night Support Group* turned in 6 pros regarding the motion. A lot of discussion was talked about it once again. The pros from *Thursday Night Support Group* are attached. This motion is to go back to the groups for a vote.

Old Business

P.I. subcommittee requested literature for information booth at the U of E Drug & Alcohol Institute to be held the week of May 19th. Literature was requested from the Area in hopes of being able to pick it up at the May Area. The literature being requested was read aloud and the approximate total for items is \$162.14 depending on the actual price of some items (Spanish basic text) not listed on our order form. It was explained that all items not used would be returned to the Literature chair for inclusion back into the area literature stockpile.

Much discussion was given on this item and then after it seemed to be clear to all members present vote was taken. It passed unanimously with no nay's or abstentions.

Elections and Nominations:

Elections

Chad S. was not at the ASC and did not send a letter of willingness therefore we could not proceed with that vote from the groups.

Nominations

Treasurer Assistant – Chad S. is renominated.

Open Positions

Secretary – This position is vacant - GSR's to bring nominations to the next ASC.

Treasurer Assistant- This position is vacant bring nominations to the next ASC.

RCMA- This position is vacant please bring nominations to the next ASC.

Regional Votes: None

New Business

Mark B. brought up that PI noticed that the phone number needs to be updated or we need other areas contact information and numbers because when we get someone calling from out of our area it is hard to determine on where to send them. That is what I got out of it anyway. The report is attached it is the PI Subcommittee Meeting report. He also wanted someone to go to region and try to find out that information about other areas and see if any of them had a website and if so if they would put our link on their site or if we could put their link on our site. You know swap links and stuff :)

TJ brought up the fact that there is only regional meetings now every other month and was wondering if we should continue writing a check every month or if we could write one check or something because he wanted to make sure that the check was not misplaced in that long amount of time. We discussed it and figured out that the treasurer can just mail the check to the PO Box so TJ is going to verify that address and then that was that.

Kenny brought up the fund for the Secretary and the printing stuff. Kevin P. made a motion to give Julie H. all the necessary stuff to act as if the secretary until we get someone really awesome and cool to come and be the best person in the whole world by filling the secretary position. Well his motion actually was to give Julie H. all the necessary stuff until the position is filled. It was voted on and it passed. No nays or abstentions I do not think.

It was determined that 4 meetings had been held @ Rebos this month and we need to send them \$40.00

The next ASC meeting was scheduled for June 1st @ noon and this ASC closed in a circle of Hugs @ approx 1:56 p.m.

In Loving Service,

Julie H.

R.C.M. Report for May

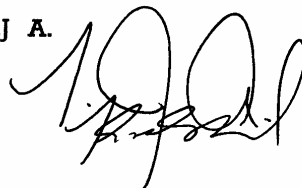

Dear A.S.C.,

There wasn't a regional meeting for the month of April. The reason I'm reporting this is because I still hold the check for the regional donation for this month. The check is for \$41.37. Would you all like me to take this check in addition to the donation that we will make today, or return it to the treasurer and have him write one check for a total of the two months?

I also wanted to ask since we are now only having regional meetings every other month, do we want to make the donation bi-monthly or just keep writing a check every month? Other than that there is really nothing else to report at this time. There was a flyer in last months minutes for Freedom Between the lakes just as reminder.

In loving service,

T.J. A.

P & P Ad-Hoc committee report May 2008

Dear Area Committee:

This committee had its fourth meeting on the 27th of April beginning at about 1:15 p.m. The meeting opened with the serenity prayer followed by the twelve traditions and the service prayer. Four members were in attendance and the work of updating our current manual continued. All in attendance were brought up to date with the work from the previous meetings and the ongoing mistakes of the chair were once again corrected. We are continuing to work in the financial section of the current manual. A motion was made to close the meeting at approximately 2:45 and it was agreed to by all there. We then closed with a group hug and the serenity prayer.

Our next meeting is scheduled for Sunday May 25th @ approx 1:00 p.m. at Rebos or directly following the H & I subcommittee meeting whichever is later. As always we welcome any members attendance and input during this process. There is no clean time requirement to work with this subcommittee.

Pro(s) for Motion # 4-08-1 (monthly meeting list in minutes) from Thursday Night Support Group

1. If you look at the past few months' Minutes, it appears as though we have already been updating the Meeting List monthly and publishing it in the Minutes, so apparently this is feasible.
2. If we're going to be putting the Meeting List on the Web Site, it ought to be as up-to-date as possible, within reason, anyway.
3. Some individuals or groups might find it easier or cheaper to copy hard copies of the Meeting List from the Monthly Minutes for distribution at a group meeting than to download one or more copies from the Internet, and some people don't have easy access to the Internet.
4. It's just one more way to get information, as up-to-date as possible, to still-suffering addicts.
5. Also, the fact that it takes a while, as a practical matter or due to Policy & Procedure, to get new groups on the List and possibly-folded groups off the list doesn't imply that the List can or should be updated only every six months, for example.
6. Thanks! Thursday Night Support Group

Area Service -

I need people to know that if there is a change in address or a new meeting you need to let me know so I can update the meeting lists. Also need to know when I need to print out a stack of lists for the groups to collect. Get us a secretary!!

Secretary Report for May 2008

April was the last month of my term to serve in this capacity. I am here today with my final report as well as the willingness to teach someone else the process I have been using to prepare and distribute our minutes. I was able to distribute the April minutes for the sum of 35.57. Of that amount postage totaled \$11.60 and printing was \$23.97. Receipts for this amount along with the \$9.43 I have left over equaling the \$45.00 in petty cash I started out with on this adventure are being turned over to the treasurer today. In addition to that I also have a few stamps to turn over, some which were passed on to me and some I have accumulated. There is one ten cent stamp, five seventeen cent stamps, one 58 cent stamp and two 87 cent stamps. The stamps, and some other items passed to me from the previous secretary will be turned over today to whom ever will best be able to use this material. Items include but are not limited to a tape recorder, a flash drive, several ink pens and many forms, folders and an expanding file to keep minutes in before placing them in the archive. Oh yea and there is also a fancy tote bag passed on from the previous secretary.

At this time in my life I have chosen to take advantage of some other service opportunities which have presented themselves. This job by itself is not a burden and if for a minute I thought I could do it along with the other task I have recently volunteered for I wouldn't hesitate to put my name in to serve another term. Unfortunately, I do not believe I can serve you in the manner necessary while taking advantage of my new opportunities. I cannot begin to tell you once again how grateful I am for the opportunity to serve you in this capacity. I am also glad I didn't buy into the fear of falling short and having others inventory me in a negative manner. Service positions like this one are great places to learn new skills, challenge yourself and grow as a person. I encourage anyone who might be just a little willing to grow to step up and get involved. We need you just as much as you need us.

I do want to say that I have enjoyed this experience as much as any service position I have held in this fellowship. I knew that because I feared failure with this task I had avoided this type of service work. I did not think I would be able to serve well in this capacity. I know now that I have done my best and there is no failure in that. This fellowship has given me the opportunity to challenge my abilities as a human being. Once again thanks to the love of this fellowship I was able to do what I did not believe I could. You have continued to love me during this experience and for that I am always grateful. I know that at times I could have performed better but I never felt judged for my shortcomings. Instead I was encouraged to challenge my abilities. This position has done that for me and I believe this chance to serve has helped me grow as a person.

I do ask that everyone here please make sure we have your current mailing list on file. I have a current list I am passing on today and several people have no address listed and it could be important in the near future that your current mailing list is on file so minutes can get out to each home group in a timely fashion.

Once again thank you for allowing me to serve you.

In Loving Service,

Kenny
