Should you have any questions, please feel free to contact me at anytime. Again, thank you for your consideration.

Sincerely,

Robin Hall
Director of Sales
Holiday Inn Hotel & Conference Center Evansville

The ad hoc subcommittee, created to “explore the possibility of having an AREA Convention in 2013 to celebrate the AREA’s 30th birthday” met for the 3rd and final time on July 31st at Rebus. Andy S. opened the meeting at around 1:30pm with the Serenity Prayer. We then read the Service prayer and the 12 Traditions.

Andy and Dave H. visited with Robin Hall at the Clarion hotel on Wednesday to discuss having a convention there. She said that Clarion could provide us with a Grand Ballroom, (500 seat capacity) Pavilion, (500 seat capacity) and 4 terrace rooms (60 seat capacity each) for \$1800 (not including taxes and fees) for a weekend starting at 3pm on Friday and ending on noon on Sunday. Dave, myself and the subcommittee all agreed this is a very good deal. She also gave us a special room rate of \$69 a night, which we also all agreed was an exceptional rate. We feel the lower room rate will attract more “Evansvillians” to stay at the convention. I have brought a contract to represent what Clarion is willing to provide for us.

After review of the potential and the effort required this committee believes that to have a hotel convention for our 30th anniversary as an area is a do able event. We understand that it will tax the resources of our local fellowship, not only financial but also our greatest resource, people. We believe that financially to put on this convention, the committee created would need to raise somewhere around \$4,000 in seed money to provide for necessary upfront expenses. We also believe that other income generated from the sale of pre-convention items, merchandise and registrations any additional funds to go into the convention weekend with great potential of at least breaking even, exist. There is an enthusiasm locally from many for this endeavor and it would be necessary for those members to step up and get involved.

During the work of this subcommittee a discussion took place on this area becoming a 501c3 non profit organization. We do believe that in the near future this should be a consideration and a discussion held by the area. We may even want to consider becoming a LLC. But of course this would be the work of another committee.

If the groups were to approve moving forward with this activity we believe the following items need to occur. Currently we have no ASC policy for holding a convention. We propose adopting and modifying the current regional convention policy since writing and voting on new policy would be a time consuming endeavor. We would also propose opening nominations for a Convention Chair from the floor today and accepting nominations from the groups in September and voting on this position in October. Currently regional guidelines for this position require the Convention Chair to be someone who has previously held a position on a convention committee and has at least five years clean. This body could change those requirements as it deems necessary.

We as a committee believe that the decision to move forward on this activity rest with the groups and should be voted on by them. We think that since time is of the essence in moving forward with planning and fundraising that today in new business a preliminary motion to move forward should be made. If approved we believe that we should proceed with the following three items today in new business.

1. Make a formal motion to go back to the groups to host a 30th birthday convention in the summer of 2013.
2. Make a motion to adopt and modify current regional convention guidelines as necessary.
3. Open nominations for a Convention Chairperson.

This would begin the process and all these motions could be voted on in at the October ASC. If the first one fails then it would be unnecessary to proceed however we would suggest that all groups vote on all three motions no matter how they vote on the first one since we would be voting on the balance if the first one passed by those present. In this manner we would protect the right of the groups to have the final say in this decision. We also believe that with the complexity involved we should have all these motions pass with a 2/3rds majority. We would also like to add that any work completed by this committee would be made available to a convention committee if we have one and they desired to have it.

Conventions are a celebration of recovery. Planning for one is hard work but even the planning can be very rewarding as well. We, as a subcommittee, feel that having an Area Birthday Convention in July/August of 2013 would be an incredible way to celebrate our recovery!

This completes the work of this Ad-Hoc committee and it is now disbanded.

In Loving Service,
Andy S.
Adhoc Subcommittee Chairperson

August 4, 2011

Dear Family;

In an attempt to make audits easier I have included voided check in the expense details of the report attached.

We have a *credit balance* for WOW Phone (0.45) and ATT (74.16). you are free to choose from two explanations: **1.** I anticipated the inability of our leaders in Washington D.C. to act quickly enough to avoid continuing in this recession, therefore paying some bills early to insure our phone service would not be a victim of the economic downturn. **2.** I have continued to make mistakes each month you have trusted me to serve you as treasurer. Either way, it should give you confidence to know that there are only 5 months left in my term. I promise *not* to attempt to teach the assistant treasurer any of my bookkeeping skills before my term is up.

In Loving Service,

Jamie B

Literature Report August 2011

Dear Area Committee:

I would like to apologize for my absence last month at area. A big thanks to Jan and Kenny for helping out while I was out of town. Please remember that the prices of literature have gone up, so you need to use one of the new order forms that are here on the table next to the treasurer.

We currently have 3 back orders, a bandana, 90day keytags, and a one year medallion. I also want to note that I did not receive the full literature order as of yet. I would like to apologize in advance for any orders that are unable to be filled due to this issue. It has been shipped but I have not received it yet. I will be calling Larry at Show-Me on Monday to ask him to track the package.

We ordered 873.59 dollars of literature this month. Last month we sold 497 dollars worth of literature.

Thank you for allowing me to be of service, and I hope you can bear with me as I learn my way with this position. Although he is not here today, I would like to say thank you to Kenny, he is an amazing teacher and has helped teach me this position with patience, love and kindness.

Love & Blessings,

Sheyenne M

H&I Report

July

The meeting open at 12:40 with the serenity prayer. There was about 11 people in attendance. Bonnie T. was elected Warm Center chair and said she needs some help from women. Cory S. was elected vice chair which make H&I a full subcommittee. We also have double digit voting members. We are looking for more women to help carry our message into the Warrick Co. jail. The subcommittee was all in favor of following policy. I would all so like to thank the Fellowship for allowing me to serve.

loving Service,
Wes H.
