

April 23, 2017

Dear ASC,

I sincerely apologize for missing the Regional Meeting in March and today's ASC meeting due to work obligations. Things have gotten rather busy in the last few months and its always been hard for me to find balance. As of today, I have not received copies of the Regional Minutes and have contacted the Secretary to see when these can be obtained. Our region is making these available on the website also (KRSCNA.org) but they have not been posted as of yet.

I do know that the KRCNA 32 Committee is looking for help. It will be hosted by the Owensboro Area and could use help with the different committees. Also, the formation of the ad hoc committee continues for the creation of the new service body and is looking for ideas for new names for the new region. For questions on either of these items, you can contact Dana T from Owensboro.

Sorry again for this being so brief. I know I only have a few months left in this position and hope to fulfill it to the best of my ability.

ILS,

Mindy
